## **About Me!**

I am an incoming Senior at LHS. I play for the Loveland High School Varsity Softball team. I play summer ball for the Cincinnati Reds RBI 18U team. This past summer I helped lead my team to our first RBI East Regional Championship and qualified for the World Series in Minneapolis,

Minnesota. I have been going to private hitting lessons with the same instructor for 5 years and have 11 years of playing experience. I have spent lots of time with younger kids and have helped run multiple youth camps.
